

Delray Jazz Collective - Return to Brazil,

the latest branch from the DJC's magical tree, focuses on the unique spirit of Brazilian music - the rhythm, melodies and harmonies that have made this South American country into such a rich contributor to world music. DJC's members, reflecting the broad musical palette of the collective, have immersed themselves in various genres, finding the unifying principles with empathy and musical excellence. Here, the group along with special guest artists, revisits their love of the feeling of Brazilian music - that deep sense of beauty, longing, mystical groove, and inclusivity that forms its collective gestalt. DJC-Return to Brazil, once again, shows that the flavor of Brazil is a perfect salve for the times we live in.
